New York City: The living ain't always easy.

But what we lack in laundry convenience, we make up for in cocktails with a killer view.

Now that it's firmly spring, let the rosé flow. These are the [ten best spots for sipping in the skyline](#).

Refinery Hotel

Over in the Garment District you'll find this year-round lounge (thanks to a retractable glass roof) with an up-close look at the Empire State Building. [Get Location](#).
