Pamela Wiznitzer has come up with a cocktail that will transport you to the tropics. "Hola From The Other Side" is a mix of Milagro Tequila, Crème de Cassis, Sandeman's, lime and coconut. Grab a seat at this unique hotel bar and restaurant, located inside the Hotel Le Soleil, and enjoy one of their signature dishes to accompany your cocktail. Favorites include the Burrata & Knots (homemade burrata and garlic knots served with tomato jam and roasted garlic), Tuna Poke (avocado, macadamia, crackers), as well as the TM Burger (bacon, jalapeno jack, fried pickled onions, and special sauce).
