9 Holiday Pop-Up Bars To Toast Santa In NYC

1. Silver Belles

The infamous Williamsburg garden bar Belle Shoals, has been transformed for the holidays! They have tweaked their menu to be filled with hot cocktails: *hoco... Choco... Oaxaca* (Illegal Mezcal & spiced house cocoa), *Baby It's Cold Out Cider* (House cider spiked with apple brandy and whiskey), or *Hope Street Brew* (Coffee topped with whipped cream and spiked with whiskey). This is the perfect place to curl up by the fire, listening to nostalgic tunes and taking some unforgettable pics with Drunk Santa.
