Where To Eat And Drink In Rockaway Beach

Breaking news: you don't need a car to get to the beach in NYC. In fact, you don't even need to leave the five boroughs. You can take the subway, or the super convenient NYC Beach Bus to the part tropical, part concrete oasis otherwise known as Rockaway Beach. OK, it's mostly concrete and a car is certainly helpful, but the beaches are great.

Also great: the food situation at Rockaway Beach. There are a whole bunch of new things to eat & drink this year, so we've updated our guide to make sure you know about all the best spots. Start planning a beach weekend.

Post-Sandy, Bungalow Bar has done a really nice job renovating their old divey space. They have an amazing setup on the bay, looking out at the Manhattan skyline, and the food is decent. The vibe has also changed from an older, local group to a more social, younger crowd. Come here for a drink.
