

## 5 NYC NEIGHBORHOODS YOU NEED TO SPEND MORE TIME EXPLORING THIS SUMMER

### Rockaway, Queens

**Good for:** A hot-weather beach getaway to boost your surf skills

**Transportation:** Take the A train to Beach 90 Street, Beach 98 Street, Beach 105 Street, or Beach 116 Street, or you can board the brand-new Rockaway Ferry (\$2.75 one way) from Wall Street or Sunset Park.

Spending the night at Rockaway also opens the door to the neighborhood's nightlife. Grab a drink (and a taco) at Rockaway Beach Surf Club or head out to Bungalow Bar for a lobster roll and frozen cocktail as you listen to live music and watch the sunset from the dock.
