

## 7 Places to Grab a Drink in NYC If You're in Denial That Summer Is Over

As some of you may already know, September 22nd marks the first official day of Autumn. However, if you're anything like me, you want to hang on to the last drops of Summer for as long as possible.

There will be plenty of time for hoodies, hayrides, salted caramel constipation, hearty stews, and leaves changing colors– CALM YASELF and don't be such a #Basic B\*tch!

Having not been to Refinery since just this past month, I realize I have been missing out! This Midtown hot spot can turn a little finance-bro-douchey at around 6 PM so get there early, unless you're about that life. They also feature a slushy each month that benefits a worthy cause via their #IGiveASip campaign. It's cool to give back, fam. PS: It's **OPEN YEAR ROUND!**
