

# These NYC Indoor Rooftops Make It Feel Like Rooftop Season All Year Long

BY ASHLEY FERN | DINING + DRINKING, NEWS | NOVEMBER 13, 2017

Just because summer may be over doesn't mean you still can't enjoy incredible views from some of the New York City's finest rooftops. Retractable rooftops are the perfect amenity to any rooftop making you feel like you're still outside without ever catching a drift of wind. Check out the rooftop bars below, perfect for upcoming colder evenings.

## The Refinery Rooftop at Refinery Hotel

One of the most incredible rooftops, Refinery Rooftop, in New York City can be found on the top floor of The Refinery Hotel. Not only does this year-round rooftop lounge offer breathing views of the Empire State building, their [event calendar](#) is stacked all year long. Enjoy an expansive menu with highlights including mozzarella doughnuts with tomato jam and roasted parm; Maine lobster tater tots with cheddar sauce, basil and horseradish and malted waffle with almond crumble; and the deluxe breakfast sandwich.
